* WE'RE FROM HERE.

Since 1868, not just a bank in Texas, but a Texas bank.

 Frost Bank

In The News...

It is always a pleasure to read good things about our friends and neighbors.

The enclosed copy is worth keeping, so we laminated it as a "keepsake."

Project Pearland School P.A.S.S. collects school supplies

Collection boxes are popping up all over Pearland as Project Pearland Student Supply (P.A.S.S.) begins its second year of collecting school supplies for students in need in partnership with local Walgreens and Pearland ISD. P.A.S.S. is organized by Pet Hub Animal Rescue and Pet Hub Animal Rescue Executive Director Tammy Dexter. Unlike other similar collection programs, all donations will stay in Pearland. We are glad to be part of this grass roots effort to help students get off to a good start in the school year," says San Dick teacher for Pearland ISD. Donations can be made August 15-22 at any Pearland Walgreens location as well as at Beef O' Brady's at 6200 West Broadway St. or The Drink Station at 8209 Broadway St. #103. Checks payable to "Community Schools" or cash donations are also accepted. Checks can also be mailed to 2800 E. Broadway Suite C, PMB 422, Pearland, TX 77738. For further information contact Project P.A.S.S., please call 832-767-8061 or visit www.pet-hub-rescue.org. If a tax deductible receipt is required, please contact Tammy Dexter.
